The Patent Portable Metronome, (Re-
gistered according to Act of Parliament, 6 & 7 Vict :
c. 65.) is a very complete and perfect instrument for measuring
time in music. It is the size and form of a small watch, and
may be carried in the waistcoat pocket, being similar to a
spring measuring tape, on one side of which are marked the
numbers of vibrations in one minute, (as in Maelzel's Metro-
nome) and on the other the Italian musical terms in general
use. From its moderate price, small dimensions, and practical
usefulness, it is adapted for all classes of musicians and singers.

PREFACE TO THIRD AND LAST VOLUME.

In the Three Volumes of Novello's "Glee-Hive" are stored EIGHTY-THREE of the best Gleees and Madrigals; they are presented in a convenient and portable form, at a price to place them within the power of every Glee-lover who may wish to possess them. Classes will be enabled to select many programmes of sufficient variety from this selection; and it is hoped that many a summer-ramble and picnic will be made "most musical" by the presence of Novello's "Glee-Hive" well used. It should be remembered that the effect on these latter occasions is better produced by some familiar favorite, courageously trotted forth by those who feel at ease by frequent rehearsal, than by some less well-executed novelty; it is, therefore, deemed that the present collection is sufficiently extensive, but if, in the course of time, a further extension should be needed, the weekly issue can be then resumed.
